Presiding Judge, Superior Court
County of Sutter
446 Second Street
Yuba City, CA 95991

Dear Presiding Judge of Sutter County,

The 2005-2006 Sutter County Grand Jury is pleased to present its Final Report. It has been our intent to report the Jury's activities in a manner, which would be concise, understandable, and informative to the residents of Sutter County.

Our goal over the past year was to perform the work that Grand Juries are charged to accomplish. We heard one indictment, and received and investigated 13 citizen complaints. We also investigated various aspects of county and city government and wrote recommendation, where we thought they would be beneficial.

We, as a Grand Jury, have worked with many dedicated citizens and officials who work everyday for the benefit of our county and it's citizens. We were treated with professionalism, and aided by all of those individuals and officials we came in contact with during our term. A special thank you is extended to the Superior Court staff, especially Jennifer Lambert and Laura Santana, for your help and support to ensure that everything was accomplished in a timely manner.

The 2005-2006 Grand Jury consists of individuals with a wide range of educational and professional experiences that share a love of our community. I am extremely honored and pleased to have had the opportunity to be associated with this group of hard working, dedicated, and caring people. This has been a journey of learning, not only about how our county government operates, but how to accomplish our goals by listening to each other and working as a team. I would like to extend a huge thank you to my fellow jurors for a job well done. I have enjoyed the experience and am grateful for the opportunity to serve in this capacity as a citizen of Sutter County.

Respectfully submitted,

Sandra Lee Jopson, Foreperson
